PILOT EV CHARGING STATION AT SIRUSERI IT PARK

SIPCOT has established an Industrial park at Siruseri, located on the Old Mahabalipuram Road (OMR) with a total extent of about 800 acres. This park, established in the year 2002, has some of the major IT companies with the present employment of about 90,000 (direct and indirect).

In line with the Government's focus on an electric mobility ecosystem, SIPCOT envisages to explore setting up of a pilot EV Charging Point for 2/4 wheelers at Siruseri IT Park. As part of the pilot, SIPCOT has set up an 8kW electrical power point. The objective of the pilot EV charging station is to understand the demand for EV charging points within the IT park.

Interested firms are invited to share their proposals (presentation format) either by hard copy to SIPCOT Head Office or by Email (splpr2@sipcot.in) on or before **14.12.2021 by 5.00 PM**. SIPCOT shall invite the firms who have submitted their proposals for a physical/ virtual discussion. The preferred firm shall be engaged for a period of 1 year. Please feel free to contact the undersigned for further particulars.

SIPCOT reserves the right to reject all or any of the proposals received without assigning any reason therefore.
